

The Legion of Mary Seek Apostles

The Legion of Mary is an association of Catholic laity; men and women who spread their faith while growing for Jesus, in union with Mary – His most perfect disciple.

Do you know?

That hunger is one of the world's greatest problems, today and every day?
That spiritual starvation is more widespread and more serious than physical hunger?
That we who have faith have something very special to share with our neighbor?
That working for others can give a new meaning to your life, instantly?
That Christ expects each and everyone to play some part in His work?

How do I do this?

By visiting the sick, the lonely, the old, in hospitals or in their own homes.
By visiting lapsed Catholics who want to return but are afraid of taking that step.
The Legion of Mary will help you:

- ◆ To see Christ in others and to service Him there,
- ◆ To work hand in hand with Mary, our Mother,
- ◆ To do great things for God and for the salvation of souls.

But why should I join the Legion of Mary? To take part in the apostolate:
Because Christ has no hands to do His work but your most generous hands,
Because Christ has no feet but your feet to help lead men into His ways,
Because Christ has no tongue but yours to tell all how He died for them,
Because Christ needs you today to do all His wonderful works of mercy.

When can I do this? NOW, if you join the Legion of Mary
