

And when he had said this, he cried out in a loud voice, "Lazarus, come out!" The dead man came out, tied hand and foot with burial bands, and his face was wrapped in a cloth. So Jesus said to them, "Untie him

and let him go." - Jn 11:43-44

**Stewardship:** When Jesus heard about the illness of his friend, Lazarus, He responded, "This illness is not to end in death; rather it is for God's glory, that through it the Son of God may be glorified." Every aspect of our lives—our gifts as well as our sufferings—can, if surrendered to Christ, lead to blessing for others and ourselves.

### Building For The Future

A great deal has been accomplished to date. Thank you to all who participated in our Commitment Weekend this past weekend. We have raised 58% of our \$1,600,000 goal!

As we observe the Lenten season, we join in honoring our loved ones who have gone before us and we pause to consider the gift they have left for us in these church buildings. Let us truly honor their memory and join in preserving their legacy. We also consider the gifts already made by so many members of our Parish family and ask those members of the Parish who have not as yet made a commitment to please do so.

Even with the significant funds raised thus far, we still have a long way to go. Many members of the Holy Family Parish Community have not yet been heard from. This is a Parish—wide effort, everyone is being asked to participate as they are able over a three-year payment period. The gifts of as many people as possible are needed for us to complete this project.

Please consider carefully and prayerfully what you can do for your Parish as we take this important step forward in "Building For The Future."

Thank you and God bless you for your generous support.
