

FISCAL YEAR 2009 FINANCIAL REPORT TO PARISHIONERS

Dear Parishioners,

Here is the annual financial report for our parish. In this report, we have tried to explain in a simple and straight-forward manner the annual financial picture of our parish. To this end, we have designed our profit and loss statement to help better explain where monies came from and where they were directed. These numbers represent the true recurring income and expenses taken in and spent on a regular basis. It is from this regular income and based on our regular expenses that we have prepared our budget for this coming year (Fiscal Year 2010).

In previous financial reports, our capital improvement budget was separate from our operating budget. The bulk of those funds came from Archdiocesan reconfiguration money. These funds are now exhausted and such costs will be absorbed within the parish budget for Fiscal Year 2010.
